AGM 2019

AUSTRALIAN SURF ROWERS LEAGUE INC
Annual General Meeting 2019
AGENDA
Venue: Surfair Beach Hotel
923 David Low Way, Marcoola, Qld 4564
Date: Saturday 29th June 2019 commencing at 2.00pm

BUSINESS
2.00pm President to open the meeting

Attendance book and apologies

1. To submit the minutes of the 2018 Annual General Meeting for approval.
2. To deal with business arising out of the previous minutes
3. To deal with any relevant correspondence
4. Presentation of Annual Report
5. Treasurers Report and presentation of the Audited Financial Statement
6. Election of Office Bearers for the 2019-2020 Season

Only one nomination received for each position, ratification required for:

President – Michael Brooks
Secretary – Natasha Tunney
Vice President – Don Cotterill
Vice President – Grant Wilkinson
Vice President – Geoff Wilson

7. Consideration of Nomination/s for Life Membership and Hall of Fame
8. Election of Hall of Fame (HoF) committee (4 required from existing HoF members plus President).

Call for Hall of Fame (HoF) nominations from the floor.
Nominations will be accepted up until the call to ballot at the AGM.

9. Hall of Fame Report by HoF committee
10. Setting of fees for the 2019-2020 season
11. General Business of an urgent nature for which correct notice has been provided

**** ROWERS FORUM ****

Immediately following the AGM a Rowers Forum will be held.

The AGM and Forum will be Live Streamed so absent members may have a chance to ask questions into the Forum.

The ASRL will provide a light snack lunch and the Bar will open at the conclusion of the Forum.

Natasha Tunney

PRESIDENT'S REPORT

The 2018/19 season has been very successful for the ASRL and our sport in general.
The dynamics of our committee have changed and everyone has taken on more tasks and is really stepping up and doing a good job. The committee talk daily as a group and we are going forward in the right direction.
I have received a very clean baton handover from Bert Hunt with 6 months of support before taking over the role as President, Bert has always been available for information and advice when I have asked and his integrity in maintaining support for the ASRL is fantastic, thank you Bert and well done in achieving Life Membership of the ASRL.

This year contained one of the darkest days in recent memories with the loss of Andrew and Ross Powell from Port Campbell. Both hero's were well entrenched in the surfboat movement and will be missed.

It is a reminder of the dangers that can happen when rescuing and it's a reminder for all members of SLS to appreciate one and others dedication to the movement, in whatever capacity it may be.

Key achievements by the committee:

- Successful relationship with SLSA with the new staff appointed

- Co-operation and support with Ocean Thunder Pushing SLSA and successfully getting the Short course as a national title 1 year early

- Another great ASRL open at Elouera

- Fantastic national selection trial at Lorne

- Well-constructed proposal for a new NAVY grant, (fingers crossed for the outcome)

- Introduction of the aged relay in the interstate competition

- Acquisition of more ASRL gear

- New finish line equipment

- Development of the SHR on the ASRL app

- Fine tuning of the draw system

We also held a successful 45 person forum held at Queenscliff SLSC. The forum gathered very good feedback to which the ASRL can implement ideas at our events and take feedback to SLSA for the improvement of the sport.

I have enjoyed my first year as President, I wish my legacy to be unity in our sport and the awareness of established sweeps to mentor new sweeps

Micheal Brooks

This report covers the period 1 May 2018 to 30 April 2019.

Income increased to $327,688 with stronger membership and sponsorship revenue covering a small decrease in the donation from our major sponson, the Navy.

Expenditure was $292,841, a rise of $40,126 over the previous period, mainly due to increases associated with the running of the ASRL Open and Livestream and Finishing Line Operations throughout the season.

Profit for the year of $34,847 was in line with the predicated budget.

The main contributor to our income was again significantly from the Navy, with substantial contributions from Destination NSW. We are continually engaging with other sponsors to be able to provide benefits to our members for the future.

Many thanks to the Elouera SLSC for hosting the Open over the past two years. It has been a pleasure working with not only the management team but also with the countless volunteers who are involved in the planning and working in the four to five days of the event to make it such a success.

We look forward to being able to support the continued promotion and development of the sport throughout Australia in season 2019-20.

I'm pleased to report that the ASRL is solvent.

INCOME	2018-19	2017-18	2016-17

TRANS-TASMAN OPENS

It is with great pleasure that I submit this report as Team Manager of the Australian SLSA Surf Boat Representative Team for 2019. In doing so I would like to acknowledge the contribution of both SLSA and the ASRL for their support and funding as well as the management of the selection processes and the running of the event itself.

This year's selection trials were held at Lorne with Avoca Beach being selected as the Open Men representative crew and Northcliffe as the Open Women crews. The Avoca Beach crew were the same crew who represented Australia 2 years ago at the same event.

Following the success of last year's trials the U23 crews also attended the same selection carnival with North Cronulla crews being selected for both the Under 23 Men and Women crews qualifying for the Development Team. Ian Martin in his second year as Development Team manger did another great job managing this section of the team plus his overall support with the entire team.

As normal the planning for this trip and the event was extensive with a relatively short time frame in which to complete these tasks.

Given the locations of each crew it was not possible to get them together as a team until the day before we flew to New Zealand. Despite this I believe that the team performed very well. Ultimately the event went very smoothly and I would like to thank Brad Dean from SLSA for his work and support and also for his planning and organisational skills.

I would also like to thank Ian Martin in his second year as team manager for the Development Team, the ASRL for running the selection event for the Open and Development teams on behalf of SLSA and for their support of all crews.

The team clothing for the new team members remained at a high standard, however the lack of clothing provided to members who had been in previous teams was disappointing. Everything supplied was worn and utilised throughout the competition and during team functions. All in, the team were extremely honoured to wear the clothes.

Emma Armfield joined the team as the team physio and whilst not having met anyone prior to arriving at the team meeting, soon become an integral and key part of the team overall. She worked tirelessly throughout the trip attending to injuries as well as providing ongoing remedial support.

The blazer presentation was performed by current Australian Women's Rugby Sevens team member Alicia Quirk. Alicia spoke passionately about representing Australia. The team environment and involvement during her presentation was outstanding, with Alicia remaining well afterwards to continue to mix with members of the team.

The two teams then reconvened at the airport Thursday morning before boarding the flight to Auckland.

Once again, our New Zealand counterparts supported us with sourcing the correct equipment locally. The surfboats and equipment were arranged and confirmed prior to departing Australia and was of a suitable standard for our needs. Suitable sun protection in the form of tents and drinking water was supplied and was prepared for our arrival. Travel was a comfortable 2hrs drive from Auckland Airport to Waihi Beach. Mike Lord from SLSNZ was extremely supportive and helpful and I thank him for his support and assistance.

2019 AUSTRALIAN REPRESENTITIVE OPEN TEAM
Northcliffe Open Women:
Penelope Hamilton, Shannon Grimsey, Jen David, Rachel Clayphan, Damien Clayphan (sweep)
Avoca Beach Open Men:
Duke Brierty, John Paterson, Daniel Tamblyn, Brad Mitchell, Richard Brierty (sweep)

2019 AUSTRALIAN REPRESENTITIVE OPEN TEAM
North Cronulla Under 23 Men:
Jackson Ford, Tom Mailey, Matthew Workman, Matthew Hammond, Mark McDonald (sweep)
North Cronulla Under 23 Women:
Madeline McDonald, Alysha Lerond, Hayley Urquhart, Maggie Mahoney, Mark McDonald (sweep)

SLSNZ supplied 2 houses in the Waihi Beach area for the Open Team. These were in reasonably close proximity to the beach and competition. Both houses were suitable for our accommodation requirements. Another 2 houses for the U23 development crews were supplied by SLSA.

The Australian Representative caps were presented to the two open crews on Waihi beach before competition started – in front of the New Zealand team, before both teams walked to the arena for introductions and national anthems.

Cap Numbers:
Penelope Hamilton 479
Shannon Grimsey 478
Jen Davis 477
Rachel Clayphan 476
Damien Clayphan 475
Richard Brierty 437
John Paterson 439
Brad Mitchell 438
Daniel Tamblyn 440
Duke Brierty 436

The performance of the Australian teams was once again outstanding with both the Open and Development teams winning their respective trophies.

RESULTS
OPEN TEAMS

OM: AUSTRALIA 2-1 NEW ZEALAND
OW: AUSTRALIA 2-1 NEW ZEALAND

DEVELOPMENT TEAMS

DM: AUSTRALIA 2-1 NEW ZEALAND
DW: AUSTRALIA 2-1 NEW ZEALAND

The conditions at Waihi Beach were extremely testing with large swells across a very long break – many waves were breaking at or beyond the turning cans. These conditions meant that a number of crews were hit on the way out and/or slewed on the return journey, with the Australian crews all handling the conditions well.
Given the size and length of the break the gate cans were not able to be set and as a result the proposed short course race was replaced with a 3rd long course race
Whilst all crews excelled – special mention needs to be made of the U23 Women's crew who whilst a long way in front of their rivals in the second race, rolled on the return to beach, injuring 3 of the rowers. Emma worked with each of the crew and they willingly turned up to compete in the 3rd race – winning this race to ensure Australia retained the trophy. One of the crew was found to have a broken finger when taken for x-rays the next day.

The trophy and medallion presentation hosted by Waihi Beach and SLS NZ was held immediately after the racing had finished and was done extremely well in a professional and relaxed manner.
Both teams then reconvened for an informal dinner that evening in the Waihi Beach clubhouse. Thanks again to Waihi Beach SLSC for catering for this event.
The conditions then continued to deteriorate overnight to the point that all racing was called off on the Sunday.
The team took advantage of the racing being called off and travelled to Mt Maunganui for site seeing and lunch, followed by a hike and swim at one of the nearby springs.

Monday was the travel home day – with a small diversion to a go-kart track near the airport.
I would like to congratulate the Australian team for their competitive spirit and never say die attitude which ensured that we retain both trophies. It was an honour to be a part of this team.

In summary, many thanks must go to the ASRL for running the selection event and for the generous subsidies provided to all team member to assist in offsetting the levy. Thanks also to SLSA, in particular Brad Dean for his support, as well as their sponsors for providing resources and funding for this very important and prestigious event.

Yours Sincerely

Greg Heard
Open Team Manager

18/19 INTERSTATE REPORTS

QUEENSLAND

The 2018/19 season has bought on some challenges and successful initiatives that once again gives me great pleasure in reporting as President.

Throughout this season we have seen an encouraging increase in our entries for local Carnivals within the Navy Series and BP Wessel Classic. Overall Qld had an increase of 16 crews not including masters. We saw the majority of growth within our junior divisions leading to have on average 50 crews enter these events. All sweeps that have developed new or existing crews in the junior divisions this season are to be congratulated on their efforts to help establish this growth and provide opportunity to new and potential rowers, the ASRLQ put approvals in place for “Come and Try” days. These were put in place for all rounds of the Navy Series and The Alexandra Headlands round of the BP Wessel Classic.
I believe this concept can be successful, with the help of our persistent sweeps to ensure that these fresh faced rowers complete their bronze medallion qualification, further establishing new rowers to our sport.

Understandably we’ve had some challenges in this area as well, which can’t be overlooked. We the committee, are putting our efforts into ensuring that everyone gets a row, from juniors / Opens and Masters, along with the aim of allowing crews to challenge themselves in surf conditions in a facilitated environment.
I must also acknowledge the commitment and energy of Jason Bean and Edwina Wright in rolling out learn to sweep courses across the state. The events were held on the Gold Coast, Sunshine Coast, Cairns and Yeppoon. One of the main goals of the learn to sweep days is to grow the number of sweeps and progress others through their qualification levels. In time there will be an overall increase in numbers of rowers through the recruitment efforts of the new sweeps. Jason will continue with these events next season under the formalised role of State sweep coordinator.

Another great initiative this season was the Currumbin Skins carnival. This event was the vision of Ben Elliott who wanted to create a special event for the junior divisions that would grow in popularity each year.
Ben enlisted the help of Rachael Gibson for the overall event master plan. These two are to be congratulated for their input and hard work along with the Currumbin boat section who assisted the work force to make the carnival a huge success. Judging by the feedback from most crews they will all be back next year in what promises to be an even bigger and better event. It was also great to see the number of new sponsors involved and the number of people from Currumbin and other clubs getting in and helping to make the concept a winner.
Thanks to the officials who on the day mentored a number of rowers in different roles to give them an insight into what its like to be involved as an official.
The state titles at Broadbeach provided a subdued chance in experiencing commonly challenging conditions. 100 crews nominated for the event. Well done and congratulations to all the crews who placed, the conditions didn’t allow for rogue waves commonly known to Broadbeach, ensuring that crews had to rely back on their dedication to training throughout the season to progress through to the finals.
I must make mention of the successful season of the Northcliffe Krankitz, back to back Australian open womens titles; earning state team honours; and representing Australia in the Trans -Tasman test series against New Zealand. The persistence and drive of this crew is to be congratulated.

Once again the Australian team defended the title on Whaihi beach in NZ, well done Damien and girls for the part you played in that win.
The Trans Tasman test series is a great initiative by the ASRL and full credit to the committee on developing the concept, providing subsidy to the team, and to SLSA for their support.

I’d also like to thank our major sponsors the Navy, and Paul Wessel from Wessel Petroleum. Without our sponsors we would not have had the opportunity to provide our events or deliver them without further costs to competitors. It’s always enlightening to see when major businesses and corporations contribute back into their communities.

I would also like to make special mention of the efforts of our referees Di Smith, Charles Melloy and the rest of the officials who make themselves available to run our events. Special thanks to Bill Cooper for his unwavering commitment as gear steward, Geoff Wright and the IRB crews, and Richard Andrews for first aid.

These are the people that make the event take place and keep it running. Thanks to this seasons committee and for your support, including Jean Couper with the draws and results and Judy Melloy for coordinating the officials.

Thanks also to the ASRL and Stu Hogben and Ryan Bennett from SLSQ for assistance throughout the season and with the Qld State Titles.

See you on the beach.
Gary Williams
PRESIDENT

As usual, selections were hotly contested however a changed process was introduced this year, with the top crews in each division invited to a selection carnival, where they would vie for a spot in the team. After three rounds, the Reserve Women and the U19 Men still had to go to a row off so we knew we had the best Queensland had to offer. The team ultimately being made up of;

OPEN MEN
NORTHCLIFFE
DAMIEN CLAYPHAN(S),
BEN TOWNSEND ,
JAKE WESTON ,
MURRAY STACEY,
JON PEPPER

RES MEN
KURRAWA
MICHAEL CAMERON(S),
DREW ARMITAGE,
JOSHUA PAYNE,
STEVE L'HUILLIER,
JOHN POLINELLI

U23 MEN
CURRUMBIN
LYLE CLARKE(S),
BILLY PSALTIS,
ZACH THOMSON-SMITH,
GABE HANMER,
JESSE O'NEILL

U19 MEN
COOLUM BEACH
PATRICK MCGUIRE(S),
FLYNN MORGAN SMITH,
MAX CAMPBELL,
MATT LANGLEY,
CONOR THOMAS

OPEN WOMEN
NORTHCLIFFE
DAMIEN CLAYPHAN(S),
RACHEL CLAYPHAN,
JENNIFER DAVIS,
SHANNON GRIMSEY,
PENELOPE HAMILTON

RES WOMEN
MOOLOOLABA
BRENTON TUNSTED(S),
SHELLEY JANSSEN,
NICKI VANSTONE,
SOPHIE URQUHART,
KAREN DEAN

U23 WOMEN
TALLEBUDGERA
STEVE PURCELL(S),
TEAGAN MCFARLANE,
MELANIE WALKER,
KATIE GILL,
ABBEY HOLYMAN

U19 WOMEN
DICKY BEACH
ROB FLOOD(S),
KATE MORCOM,
LUCA HOLLAND,
VICTORIA BARBOUR,
JAZZ MORRIS

Special mention also needs to be made of Lisa Webber from the Tallebudgera Kaylews, who was called upon at late notice to jump in to the Krankitz for Shannon. Shannon having unfortunately been struck down with illness, made the selfless decision to stand down for the benefit of the whole team.
The team assembled at Surf Rescue House on the Sunday before the competition, where they were treated to the now traditional breakfast at Five Sisters and presented with their caps.

Cory Stone was named Captain of the Team, which was a return to a 'non-playing' captain. Nobody can deny his passion for Queensland and he was an integral part of the team on the day.
The Interstate Surfboat Championships was conducted at Elouera Beach in the Sutherland Shire in the southern suburbs of Sydney on the Friday afternoon of the ASRL Open.
As usual, team managers arrived to be briefed on the competition and any variations that would apply. Conditions were good and a wave was there to assist or punish you, depending on where you were at the time.

This year there were two relays added to the completion with an open relay made up of the men's and women's Open and Reserve Grade Crews and an Age relay with the 23 and 19 crews. The first event was the age relay and we started with a win but from then on results varied as the competition progressed but we remained in contention throughout. Going into the final, double points all team relay, we needed a win to come away with the gold. Unfortunately it didn't go our way and ultimately Queensland ended up with the bronze behind New South Wales and Victoria respectively.

In closing, we would like to thank the ASRLQ and SLSQ for their support of the Queensland "Cyclones" Surf Boat Team and all of the crews for the commitment they have made individually and collectively to the Team.

Craig Williams & Charles Melloy

NEW SOUTH WALES

It is with a lot of pleasure that on behalf of myself and Assistant Team Manager Donna Wishart that I submit this report as Team Manager of the 2019 NSW Surf Boat Interstate Team.

This team consisted of 8 crews – one from each division, Open Men, Open Women, Reserve Men, Reserve Women, Under 23 Men, Under 23 Women, Under 19 Men and Under 19 Women, who were selected from all crews within NSW to compete in the Interstate Challenge as part of the ASRL Championships at Elouera on Friday the 15th February 2019.

SELECTION:
Crews competed at a series of nominated carnivals with the crew from each division with the highest points being selected to the team. Attached is the point scores for the season.

Selection carnivals were:
Coffs Harbour
North Cronulla
Queenscliff and
Manly

Points were accrued across all 4 events with the best 3 being used to select the crew. Points were awarded with 7 points for 1st place down to 2 points for 6th. This year all divisions were self-selected based on this system apart from the Open Women and Open Men as these 2 divisions each had two crews tied on the same points.
Open Women – Elouera Wilko and Palm Beach Patriots
Open Men – North Cronulla Purds and Caves Beach Meat Trays

As outlined in the bulletin in the event of a draw at the end of the selection carnivals, the crew is to be selected by members of the NSW Surf Boat Commission. Given the timing I met with Ryan Halangahu, Nathan Perry and Matt Collins as they were present at the Manly carnival, immediately at the conclusion of the Manly carnival. After some discussions we selected Elouera Wilko (Open Women) and North Cronulla Purds (Open Men). I immediately contacted the sweeps from the 2 crews who missed selection to notify them of the decision. Both sweeps whilst disappointed, took the decision in good grace. I then advised the sweeps from the 2 successful crews.

OPEN MEN
NORTH CRONULLA
ADAM PURDIE (S)
MITCHELL BOUZOUNIS
JAMES BUDD
ZAC HUGHES
JACK MENTHA

OPEN WOMEN
ELOUERA
GRANT WILKINSON(S)
LAURA ARMISTEAD
SAMANTHA HEWITT
SARAH HILL
TARA LAL

RESERVE MEN
NORTH CRONULLA
ADAM PURDIE (S)
JASON BROWN
TOM CHAPMAN
BEN TANNER
ANDREW SMALLEY

RESERVE WOMEN
PALM BEACH
PETER SPENCE (S)
STEPH SPENCE

JORDAN HAWKE
REGAN DALE
CHARLIE LEWIS

UNDER 19 WOMEN
AVALON BEACH
PETER CARTER (S)
ROBYN HUSBAND
IMOGEN PONTON
ELLA BRADY
SOPHIE JONES

It was pleasing to see the spread of clubs/ branches represented with 4 crews from North Cronulla (with 2 sweeps) 2 crews from Avalon Beach (with 1 sweep) and one crew form Elouera and Palm Beach

The 2 x U23 crews, from North Cronulla were also selected in and successfully competed for the Australian Development Team against New Zealand the weekend before in New Zealand.

PREPARATION:
With a very short turnaround from selection to competition of 4 weeks, everyone in the team was very responsive with responding to requests for information. Chiara Nowland from NSW SLS Sports did a fantastic job of getting the uniform sizes and other necessary information from all members of the team.

Chiara, in her first year also did a great job in ensuring all the gear was ready, as well as all of the organisation with the team meeting and in supporting Donna and myself. She was fantastic to work with and made our tasks so much easier.
As part of the team preparations we met prior to the Interstate Challenge competition to provide an opportunity for all crews to meet each other and to present the team uniforms.

This year's function was held back at the Oaks Hotel in Neutral Bay. Once again it was an invaluable experience and allowed all crew members to meet in a relaxed environment, to be presented with their team uniforms and to discuss logistics leading into the racing. This year I asked Ryan Halangahu from Mona Vale to speak to the team and present them each with their competition caps. His speech about the honour at being selected for NSW and his overall input at this event was extremely well received.

The camaraderie that was developed amongst the entire team in such a short while was once again evident on the beach on the Friday with everyone proactively supporting each other prior to and during the racing.

Thank you to SLS NSW for their generous support in providing the team gear – all recipients were extremely pleased and proud to receive their uniforms.

RACE DAY:
The team reassembled on the beach on Friday afternoon to prepare for the races ahead.

This year 2 new events were introduced – Junior Relay (U19 and U23) and Senior Relay (Reserve and Open). The order of events was Junior Relay, Senior Relay, Under 19, Under 23, Reserves and Opens before culminating in a Surf Boat relay consisting of all 8 divisions.

Results were:

Junior Relay	2nd
Senior Relay	1st
U19 Women	3rd
U19 Men	5th
U23 Women	2nd
U23 Men	1st
Reserve Women	3rd
Reserve Men	4th
Open Women	2nd
Open Men	3rd

Going into the final event, the Boat Relay NSW was equal with Victoria on 84 points with Queensland 3rd on 82 points (Qld had been DQ'd in the Senior Relay for one of their crews missing the turning can, resulting in a loss of 8 points. The 'all in' Relay is worth double points and NSW needed to win this to secure victory.

In a fantastic display of team work NSW combined extremely well to stay close to Victoria in the early legs – Victoria's strategy was to use their top crews up front to give them a lead and then try to hang on over the remaining legs, whilst NSW chose to mix the crews up and finish with the Open Women and Open Men. NSW strategy worked resulting in a strong team win over Victoria with Queensland third. Which was the way the final point score finished, NSW first on 104 points, Victoria 2nd on 102 and Queensland 3rd on 98.

A great team effort and a great result.

The ASRL should be congratulated for their support of this event through support of interstate crews and for running the event on behalf of SLSA. The event ran very smoothly and is a credit to the ASRL and the officials led by Tamara Brawn and Peter van Duren.

All Team members continually expressed their appreciation and pride in being selected for this team and their performance and participation in the team reflected this.
In summary the support from the ASRL and SLS NSW was fantastic.

In closing I would like to thank:

- SLS NSW for the support of this event and for their funding of the uniforms
- The staff at SLS NSW for the support and assistance, in particular, Chiara Nowland.
- Tamara Brawn, Peter van Duren and the team of officials for running the event
- The ASRL for ensuring the event ran smoothly

From a personal perspective - thank you again for the opportunity in allowing me to be a part of this team and for the overall experience – I love it !!!!

Yours Sincerely

Greg Heard
Team Manager

VICTORIA

It has been a fantastic season of surf boat rowing in Victoria, which has seen many crews build on the success of past years. Over 50 different crews have taken part in carnivals this season.

The Navy VSRL series kicked off on the 1st December at Lorne with the Australian Team Selection event on the Saturday followed by a full NAVY carnival on the Sunday. It was a very successful weekend with good interstate numbers and fantastic racing in excellent conditions.

This season our VSRL NAVY Open was held on 20th Jan 2019 at Anglesea. Congratulations to our crews who represented Victoria at the Navy ASRL Open Interstate competition.
The crews that represented their state are listed below. With Jackson McCaffrey (team manager) and Geoff Matthews (team captain) at the helm, Victoria finished 2nd overall. This was a fantastic effort for the “Big V” and I’m sure we can go one better next time.

U19 MEN	TORQUAY BUOYOS
U19 WOMAN	ST KILDA SALAMANDERS
U23 MEN	TORQUAY PIRATES
U23 WOMAN	ST KILDA HUEYS
RESERVE MEN	LORNE DRY
RESERVE WOMAN	LORNE UNI LORNES
OPEN MEN	ST KILDA ANGRY OTTERS
OPEN WOMAN	LORNE EDGE

Victorian crews competed well in the club component of the Navy ASRL Open.
In the Open Woman’s division, The Lorne Edge won the Gold medal. This was an amazing result for Geoff Matthews and his crew and justified their top seeding in this division of racing.

VALE
Two extraordinary lifesavers and part of our rowing community were farewelled in a moving ceremony at the Timboon & Districts Hall, where around 2,000 mourners over-flowed into an outside broadcast to be part of a touching tribute to the town’s heroes – father and son, Ross (Po) and Andrew Powell, who tragically lost their lives during an Easter Sunday marine rescue.

SOUTH AUSTRALIA

As President of the ASRL-SA and Chairman of the SLSSA boat panel, it is with a sense of pride that I continue to see South Australia grow and perform well both locally and nationally.

2018 saw Adelaide hosting the World Life Saving Championships. This was our first major event on our domestic calendar and while the weather threw everything it could at us, the host club Glenelg and state pulled everything back together to deliver some great, all be it compressed racing over 2 days. Our Masters, Reserve grade crews and Junior competitors performed particularly well at this event on our home turf.

Our season kicked off in earnest with the annual pilgrimage to Robe, it was the first Navy series of 3. This is without a doubt the favourite event for competitors, officials and supporters. It is this carnival that draws everyone together, lifelong friendships are formed, camp side banter is shared and the stage is set for state team selection as crews battle it out in the first of four selection events.

Another highlight in our local calendar was the 4 th annual twilight carnival hosted by Grange SLSC. We are yet to jag some sunny beautiful weather for these events but none the less they are great fun, with short, sharp racing in tricky conditions. Bill Gaynor (Grange legend) also put together a recognition ceremony post carnival to acknowledge South Australia's sweeps and crews of the past that have had success on a national stage. It was great to catch up with some of the sports former legends and be inspired by their results.

Our State Team Navy Series was hotly contested in the open divisions with Henley taking home the chocolates in both Men and Women divisions. Glenelg and Somerton represented in the reserve grade and we had some exciting contenders in our junior division with West Beach, Somerton and South Port clubs representing these grades. While we weren't able to go one better this year in our interstate performance the team represented SA well under the guidance of State team managers Gavin Cragg and Sharon Pearsons. Again we saw an SA sweep, Aaron Tannahill taking the plunge and swimming to the finish line after breaking a sweep oar. This is always an exciting finish regardless of the outcome.

At the ASRL Open the Glenelg reserve men were the standout crew, placing 4 th in the final. The Somerton U19 Men also performed strongly missing out on the final by the smallest of margins. The South Port U19 girls with a composite crew also did well. Brighton and Somerton SLSC had a strong attendance at the event, as their boat sections continues to grow and strengthen. We saw the closest racing all season at the SA Surf Boat State Titles. All divisions had camera finishes and for the first time in SA at state titles we were able to make use of this technology and ensure without a doubt that the right results were recorded. The day was like a mini ASRL Open with a commentary team, music, finish line camera, quick turn around on the draws/results and full use of the Team Navy ASRL app.

The highlight of the day was watching the U19 Somerton Men's crew take home 4 gold medals. They outclassed every crew in the U19 Men, U23 Men and Reserve Grade Men's Divisions. They then went on to share a win in the Surf Boat Relay with their club. An outstanding result from a newly formed crew. Well done boys and sweep, Matt Harry.

Back to the Gold Coast for Aussies and what is now a happy hunting ground for 3 of our Open women's crews. This year the Somerton Open Women joined an elite club, in winning a Silver medal in the First Australian Short Course Championship. These ladies are a newly formed crew that have come together in perfect timing to tackle the tricky shore break and relentless conditions in a race that was the survival of the fittest and the most daring. Well done ladies and Fazz. It was also fantastic to see 3 Under 19 Women's crews attend Aussies and get a taste of what the most prestigious event in Surf Boats is like.

On reflection of Surf Boats in SA and where we are heading, it is safe to say that we are on track to continue our growth and improve our results interstate. We have an inclusive,

highly functional boat panel that is made up of rowers, sweeps, coaches, officials and SLSSA Sports representatives.

Our Participation at both Senior and Master levels is outstanding when compared to the other
states. SA is only 9 crews shy of having the same no. of crews as QLD. When you break it down further and look at the number of crews/club per state, SA is leaps and bounds ahead of all states averaging 5.4 boat crews per club across the state. All other states excluding WA struggle to have 2 crews/club across the state population. With initiatives like our Youth Development day and our well-structured approach to sweep accreditation and mentorship it is not surprising we are performing so well with our participation numbers. I'd like to congratulate all involved in Surf Boats in South Australia on a job well done.

Personally I'd like to thank all the officials that make each and every carnival happen. Thanks also to Melissa Davis-Bishop, SA's Surf Sports Manager and her 2 IC Blake Steele. It has been a pleasure working collaboratively with them this season and strengthening the relationship between the ASRL- SA and SLSSA.
To Bristles (Don Alexander) and Aaron Tannahill who work tirelessly at a National level, thank you. Thanks also to our carnival boat panel Matt smith, Peter Tidswell, Kevin Fitzgerald and Jason McGaffin for your work each and every carnival.
To our sponsors, thank you so much for getting behind us and supporting our carnivals, development days and awards evening. The ongoing support of Team Navy, Coopers, Falken Tyres and Sports Chiropractic Australia make our events some of the best run in the country. Lastly I'd like to thank the ASRL for their support and guidance throughout the season.

Natasha Tunney

President ASRL-SA/ Chairman SLSSA Surf Boat Panel

WESTERN AUSTRALIA

Surf Rowing in WA continued with steady progress in sweep recruitment and training, and first steps in junior development with a lot more emphasis will be placed on this area next season.

We held two very successful sweep introduction and coaching days along with a well-attended weekend coaching clinic run by Grant Wilkinson. There was much praise for the information and practical experience that Grant was able to convey to coaches and sweeps. Grant also stayed for our first carnival of the season at Fremantle, watching racing and being available to give out first hand advice.

On the Saturday before our country carnival on the Australia Day weekend at Denmark (on the south coast) we held a sweep accreditation afternoon in good surf condition. Our carnival entry numbers held steady this season, not dropping off as expected following the Aussies in WA.

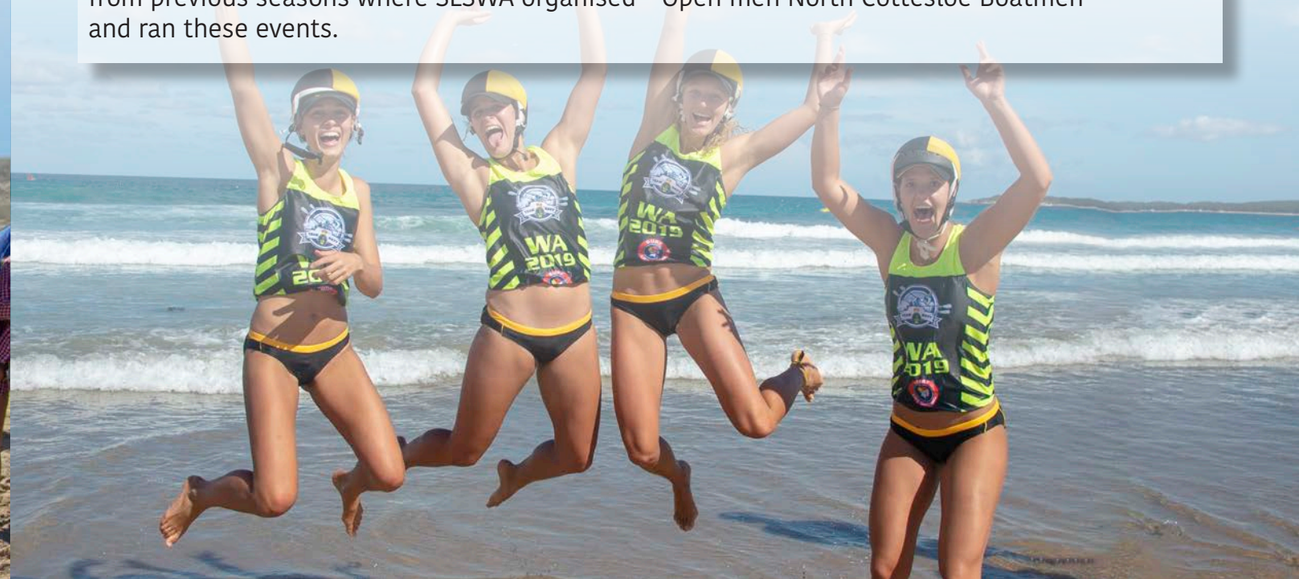
We held two very successful Team Navy ASRL events this season organised by Mullaloo and Secret Harbour surf clubs. This was a departure from previous seasons where SLSWA organised and ran these events.

The Mullaloo event had a double leg final format with dry finish and Secret Harbour ran with a very exciting short course format. The Navy community engagement team led by chief petty officer Toni Ralph attended and interacted with the competitors and officials.

Our Western Suns state representative team travelled to Elouera in February for the interstate challenge and Team Navy ASRL open. Our team did their best but didn't achieve enough placings to figure on the dais. North Cottesloe Under 23 women led the charge winning their division in the interstates.

In the Team Navy ASRL open our WA crews performed will over the three days with North Cottesloe Resolute under 23 women taking gold. City of Perth black finished 3 rd in the 160 years masters. Also finishing in the top 8 and just short of the medal race were;

North Cottesloe Boatmen (open men)
North Cottesloe Stiffs (open women)
City of Perth Sirens (reserve women)
Western Suns state representative team. Team manager Sandy Clarke.
Open men North Cottesloe Boatmen



Open female North Cottesloe Stiffs
Reserve men City of Perth Black
Reserve women City of Perth Sirens
Under 23 men North Cottesloe Yeah the boys
Under 23 women North Cottesloe Resolute
Under 19 men Mullaloo Big rigs
Under 19 women Mullaloo Neptune's daughters

WA state championships were held at Scarborough Beach over 2 days with country champs, masters champs and our first ever WA state short course champs run on Saturday. The short course was a huge success with very exciting racing and close finishes.

Sunday's normal course champs were held in sloppy conditions with North Cottesloe dominating the day with good performances from all other clubs. Our WA boat person of the year was Jeff Burling from Cottesloe SLSC for his work mentoring a new crew and sweep at Denmark SLSC, the first boat crew from this club for around 40 years. The crew with Jeff sweeping (Denmark sweep is still S2) in big waves won the open men's division at the country carnival held at their home beach, a big highlight.

The Aussies at Broadbeach did not attract a large number of WA crews with North Cottesloe, City of Perth and Mullaloo sending crews, however the quality was there with North Cottesloe boatmen taking silver in the inaugural Australian short course open men's championship.

City of Perth Learnatics took home bronze in the under 19 women's Australian championship and North Cottesloe Stiffs were unlucky after leading the open women's final. On behalf of the WA boat panel I would like to thank - Kaylene Bozich for her tireless work with our communications. Jason Wright SLSWA and the surf sports team for their work all season. Sandy Clarke for her help with setting up the entry payment pathways and also club liaison for our Navy ASRL events.

Thanks to Michael Brooks and my fellow committee members for the many hours we all contribute to innovate, listen and organise our sport for our current and future members.

Geoff Wilson

18/19 TECHNOLOGY REPORT

I am proud to report that once again, the Australian Surf Rowers League has delivered on the promise to continue to promote the use of technology across a number of areas. It is extremely important to note that this is due to the ongoing support from Team Navy, Destination NSW and the ASRL committee.

FINISH LINE CAMERAS SYSTEM
In the season gone we utilised the finish line camera system at ASRL Open, National Team Trials and we outsourced the cameras for use at Aussies. This form of technology takes plenty of work to not just deliver on event day, but to also maintain leading into events and the upgrades and tweaking that needs to occur post event. Over the past 12 months ASRL VP Nick Sampson took ownership of this project and was a key driver for continual development of the product. On behalf of everyone I thank Nick for his commitment to assisting with this.

Over the winter months there will be research undertaken on continual improvement of this equipment. We know the membership appreciates having the cameras operating and it is a key priority of the ASRL committee to support this.

LIVE STREAM – NATIONAL TEAM SELECTION EVENT / ASRL OPEN
For the second year running we pushed the introduction of new commentators for live streaming our events. We saw the introduction of 3-4 brand new commentators to the sport who gave it a crack at the ASRL and we thank them for volunteering their time.
We kicked off our live stream coverage down at Lorne for the National Team Selection Event with some of the best coverage we have seen. This included close up drone footage and close racing along the Great Ocean Road.

For the first time in our history we covered the ASRL Open for the full three days, including the Masters. Almost 24 hours of coverage was captured across Masters, all rounds, Interstates and all finals.

Our live streaming went up another level this past season and we saw over 60,000 views for the two events, with thousands more viewing the post event highlights packages (available on Facebook and YouTube).

SOCIAL MEDIA
Our social media continues to grow!
Our numbers crew over 15% again in the past 12 months and we now have almost 11,000 combined followers on Instagram/Facebook.
The numbers that we are generating through our Facebook page 'Team Navy ASRL' are extraordinary.
We have seen in the past 12 months (June 18 – May 19);
- Engaged with our users 197,216 times
- Had a reach of 1,185,622
- Had 301,695 video views for a total of over 4,000 hours of viewing time
- Posted on Facebook 430 times (approx.)
- Posted on Instagram 220 times (approx.)

The ASRL will continue to provide support to states who control their own Facebook groups and pages. Although we can't bring in a streamlined system we are always interested to see what states are doing in this stage. Thank you to those states who have engaged with the membership through new forms of communication and for those who continue to test out new technology online, your members appreciate it.
